PRICE, ONE CENT.

AN EIGHT STORY BUILDING FOR SECOND NATIONAL BANK.

The Plans of McCullom & Dowler, Pittsburg Architects, Were Chosen by the Directors Yesterday.

HANDSOME BANKING QUARTERS.

There Will Also Be Seventy Offices in the Building Fronting Either on West Main or North Pittsburg Streets—Work Will Start April 1st.

At a meeting of the Directors of the Second National Bank yesterday it was decided to build an eight-story building with a 15-foot basement on the bank's property at the corner of West Main and North Pittsburg streets, running back to Orchard street. It will be constructed of brick and steel and will be entirely fire-proof. The use of very little wood is contemplated in the whole structure. Even the floors will be either of tile or mosaic finished concrete. The use of iron window frames is also contemplated.

The narrowness of the strip of property on which the building is to be constructed was a problem to overcome, but the architects have solved it very well, as indicated by the plans adopted yesterday. The bank owns two feet of the sidewalk along North Pittsburg street. The Directors decided not to utilize this space, thus narrowing the street. The foundation for the building will be excavated to the street curb on both Pittsburg and Main streets. The space under the pavement will be used to give more room in the basement. The basement plans include one large room 60x80, which will either be utilized for a store room, or may be rented for any other purpose. There are a number of other rooms in the basement, including a public toilet and a room for the use of the bank's employees. There will be no entrance to the basement off the street.

The bank entrance will be on West Main street. It is an imposing one. The banking room will run back 90 feet to the general entrance of the building on Pittsburg street. This general entrance will give access to the basement, to the bank and to the elevator. Running from the general entrance on North Pittsburg street to Orchard street there will be four store rooms. There will be 70 offices in the building, 64 single offices and six double ones. Every office will front either on Pittsburg street or Main street, and every office will have two windows, the double offices having three windows. Every office will have a connecting door so that any person desiring two or more offices, or an entire suite, can have them connecting with each other. A long corridor on each floor will run the entire length of the building. The elevator is in the center of the building at the general entrance. Each floor is designed along the same general plan, and all the offices have been planned for convenience and comfort.

While it has been decided to construct the building of brick, the color has not been definitely determined. The trimmings for the interior of the banking room have not yet been definitely decided upon. The design for the banking room is decidedly pretty, however. The ceiling is high and arched, and the sides are to be finished off in marble. The entrance provides a ladies' special department, running the length of the room each floor has a separate compartment for the transaction of business. The suites are located to the rear of the room and over the vault there will be a special room for the Directors. The cashier will also have his private office to the rear of the banking room.

The construction of the building cannot be started before April 1, as the tenants of the property have leases until that time on the rooms they now occupy. They will, however, vacate promptly on April 1, and work will immediately be started. Some details of the plans will be completed during the next few days and bids will be advertised for the construction of the building. The contract will be let as quickly as possible, and, as an immense amount of steel will be required, it will be necessary to place the order for it as quickly as possible in order to have it when required.

Manor Council Grants Franchise. The Manor Valley Railway Company, a part of the system of the Pittsburgh & Westmoreland, got a franchise in Manor the other day. The franchise is exclusive only for 18 months, and the company agrees to pay the borough \$3,500.

RATE CASE POSTPONED.

Attorneys on Both Sides Agree to a Postponement of the Case. UNIONTOWN, Jan. 30.—The case of the Baltimore & Ohio Railroad Company vs. Fayette county, by agreement of counsel on both sides was held over this morning. This was a case wherein the rate law figured, and the attorneys on both sides were agreeable to allowing the case to go over, until further decision affecting the law was handed down.

TRUSTEES MEET.

Authorize the Purchase of Additional Juvenile Books and Transact Routine Business.

A meeting of the Trustees of the Carnegie Free Library was held last evening at the library. The Trustees formally met Mrs. Mary Elizabeth Daigh, the new Librarian. She requested that some new juvenile books be purchased for the library, and the Trustees authorized that between 100 and 125 books be purchased for this department. The young folks have taken a great deal of interest in this class of books, have profited very much in reading them, and Mrs. Daigh thought that the purchase would be very timely.

Routine matters of a general nature were taken up and discussed. Bills to the amount of \$240 were authorized to be paid. The committee found that it was possible to clear off some bills authorized at a previous meeting, and these also will be paid. The Trustees are well pleased with the growing influence and interest in the library.

PAPER LOST.

Wife's Answer to Her Husband's Libel Charge Not Filed But Found in Attorney's Desk.

UNIONTOWN, Jan. 30.—The equity list was called over this morning and it was found that few cases were ready for trial, and none for argument. In the libel in divorce filed by W. E. Kistinger against Ada M. Kistinger, Attorney McKean stated that he had been engaged by Mrs. Kistinger, and that he had prepared an answer to the libellant's bill in August but that it had not been filed and he had located the paper in his desk. He was allowed to file as of date of August. Mrs. Kistinger is charged by her husband with desertion, which she denies, and will contest the action.

SAM JOE PAID COSTS.

Assyrian Riled by Snowballing Strikes New Haven Lad and Lands in Squire's Office.

Barnett Joe, an Assyrian, appeared before Squire P. M. Butthorn of New Haven last evening and paid the costs on a charge of assault and battery made by E. O'Donovan of New Haven. Tuesday while driving on Main street, New Haven, a number of boys commenced to snowball Barnett, who left his wagon and started after the boys. Barnett stated that he did not know which boy threw the snow balls. The first one he caught was James O'Donovan, a son of the prosecutor. After striking the boy he released him.

A Very Small Fire. A slight fire occurred about eleven o'clock this morning at John Patterson's grocery store on North Pittsburg street. A fire had been started to thaw out some frozen pipes and the flames caught to a cellar door. No alarm was sounded and the blaze was quickly extinguished.

Has Gone to Buy a Wife With Price Limit of \$600.

A. Joseph of Perryopolis left Connelville on the Duquesne Limited last night for Constantinople, Turkey. He is in search of a wife. Joseph is an Assyrian. He is a merchant at Perryopolis with a store in the Carson building. He is very comfortably supplied with this world's goods and can afford to suit his own tastes in the matter of selecting a wife. It was after looking the Assyrian colonies in this end of the State over that Joseph decided on the trip to Turkey. From Constantinople he will go out

COUNTING THE VOTE.

County Commissioners Began Tedious Work Yesterday. UNIONTOWN, Jan. 30.—The County Commissioners began yesterday to officially canvass the votes cast in the various districts in the winter primary last Saturday. In almost every voting precinct there were several extra names written on the ballots by the voters, and these names must be counted just the same whether they received but a single vote or were the highest on the list.

NO CONTEST OVER POSTOFFICE SITE.

Attorney Newmyer Thinks It Can Be Acquired Without Difficulty.

ARE DETERMINED TO HAVE IT.

Tact, Understanding That Viewers Are to Be Named After Congressman Cooper's Resolution Is Adopted Upon—\$10,000 More for Site.

Attorney J. S. Newmyer said this morning that, while the location of the new postoffice is a matter of some importance, it is not a matter of great importance. He thinks that the site can be acquired without difficulty. He pointed out that the site is a matter of some importance, but it is not a matter of great importance. He pointed out that the site is a matter of some importance, but it is not a matter of great importance.

To contest this appeal is necessary, but it has been tacitly understood that viewers will not be appointed. These, however, will not likely be made until Congressmen A. F. Cooper's bill appropriating \$10,000 is acted upon in Congress. This bill was introduced with the understanding that \$70,000 of it be set aside for the building and that \$10,000 be used in purchasing a site in addition to \$20,000 already appropriated.

Mr. Newmyer states that there is no doubt about the Newmyer-Wallace site being finally taken under any circumstances. The Department has made it a matter of record that it is the best and only site in the town for a Federal building, and has taken into consideration that the consolidation of the two towns would make it the most convenient site to be had. Another matter that weighs heavily with the Department is the fact that the site is in the transportation of mail and from the railroad, the railroad companies being required to transport mail to and from the depot within a specified distance.

Mr. Wallace is very loath to give up his property. "We remodeled the house and fixed things up for a home and we want to keep it," said Mr. Wallace. "We don't want to sell it to any one, not even the government."

STAG DINNER

Given Last Evening by Sam F. Hood, Covers Being Laid for Ten Friends.

Handsomely appointed in every detail was an 8 o'clock stag dinner given last evening by S. F. Hood at his home on South Arch street. Covers were laid for ten. The out of town guests present were W. B. Morris, City Passenger Agent of the P. & L. E. at Pittsburgh, and C. N. Boyd, of Pittsburg. A short musical program was rendered after the dinner. Mr. Boyd and Mr. Morris, who are prominent in Pittsburg musical circles, rendered several selections.

Many Counterfeits. Captain W. A. Motzfeldt of the Baltimore & Ohio police force, was at Smithfield yesterday and said there are many counterfeit half dollars and other counterfeit coins in circulation there.

POLITICAL ACTIVITY

Brings Reprimand From Postoffice Department for Carrier Showman.

TROUBLES AT POLLS LAST FALL

In the Fourth Ward Over the Appointment of a Judge of Election Made Result of Investigation by Civil Service Commission.

Special to The Courier. WASHINGTON, Jan. 30.—The Civil Service Commission at Washington is just now particularly active in taking up the cases of Federal officials and employees in Pennsylvania and in other States who are guilty of "pernicious political activity."

J. J. Vogel, Secretary of the Civil Service Board for the Third District, visited Connelville December 12, 1907, to investigate the charges against George E. Showman, a letter carrier in the Connelville postoffice. These charges were to the effect that Showman attempted to dictate to the Election Judge, November 5, 1907, who should be appointed Inspector of Election; that he had a man with him whom he insisted should be appointed; that he used improper and disrespectful language and gave the lie to a citizen; bringing discredit upon the service and upon the uniform he wore. Mr. Vogel took the testimony of a number of persons, going about the matter with characteristic vigor and energy and securing the detailed statements of a number of witnesses in substantiation of the original complaint. These statements proved conclusively that Showman was guilty of the charges and deserved to be dismissed. The Civil Service Commission, indeed, went so far as to recommend that Showman be suspended for a month without pay, which would amount to a substantial pecuniary fine. The Postoffice Department, however, decided to let Showman off with a reprimand and an entry against his name upon his official record, which will tell against him when it comes to the question of promotion. This action was not without effect, however, as a result of a severely disciplinary nature, will have a good effect upon the morale of the service, not only in Connelville, but elsewhere. In general, it may be said that in the Federal service there are not many conspicuous enemies against the statutes with regard to political activity. Most United States employees are aware by this time that the rulings with regard to political activity are strictly enforced and lived up to in the Civil Service Commission.

Word was received in Connelville this morning by L. F. Ruth and Willie Halstead, that Marshall Halstead, the late brother, died last night at his home in Cincinnati, following an operation for appendicitis. Mr. Halstead was in Connelville two weeks ago on business connected with the interests of his sister, Mrs. John Davidson. He was not complaining then, but said he was not feeling as well as usual. A few days ago an acute case of appendicitis developed and an operation was decided upon. Complications followed it and death came at 3:30 last night. Mr. Halstead was 45 years old.

Up until about two years ago Mr. Halstead was United States Consul at Birmingham, England, one of the most important British iron centers. He resigned then to go into business in Cincinnati. His brother, Albert Halstead, was appointed Consul in his place and is now at Birmingham. Mr. Halstead before entering the Consular service was engaged in newspaper work in Washington and Cincinnati, his first work being done under his father, Murat Halstead, the noted journalist and writer, who still survives him.

Last fall Mr. Halstead married Miss Clara Lukens, a member of a wealthy and socially prominent Cincinnati family. They took a handsome home in the fashionable Walnut Hill district in Cincinnati following their honeymoon. Mr. Halstead was interested with his brother-in-law in the manufacture of metal window and door frames and in a patent fire proof concrete process. Up to this afternoon no arrangements had been made for the funeral.

NOT BUTCH POLLOCK

Who Was Mixed Up in Row in New Haven Yesterday Morning.

It was not Anthony Pollock, familiarly known as "Butch" Pollock, who was mixed up in the row of foreigners on the streets of New Haven at an early hour yesterday morning. Pollock is agent for the White Rock Distilling Company at Vanderbilts and has a meat market in the Perry district. He was not in New Haven on Tuesday night or Wednesday morning, but was attending to his business and at home.

It was another foreman named Pollock sometimes called "Butch," who was injured in the fight, and The Courier takes pleasure in setting Anthony Pollock in the right. He is a respectable citizen, who has made himself a success and always stands for peace and respectability among the foreigners.

GET POINTERS

On Crack Newspaper Plant Did Party from Meyersdale at The Courier Office.

W. H. Dill, manager of the Meyersdale Republican, W. T. Holtzcliff, Frank Black and Milton Black, all of Meyersdale, the three latter crack operators, were in Connelville yesterday. Dill came down to inspect an up to date newspaper plant, the other gentlemen came along, and, of course, they visited The Courier office. The management proposed some improvements at The Republican office. S. A. Kendall's paper, and came here to get some pointers. J. H. S. Stummel, one of the Big Bosses of The Courier, plotted them over the shop, and they went away overloaded with pointers.

Want to Be a Borough. Fifty-five citizens of Newell on the Pittsburg & Lake Erie Railroad on the Monongahela river have petitioned the court to have that town incorporated as a borough.

MRS. MURRAY'S WILL.

Bequests Estate to Children and Children of Christiansa Richey. UNIONTOWN, Jan. 30.—The will of Mrs. Sarah Murray was probated today. She sets aside \$100, the interest of which is to keep her cemetery lot in order.

All the rest of the estate is divided among the children, John Joseph and Jacob Rist, Mrs. Ann Snyder, Miss Mary Rist and Mrs. Sarah Richey, and the children of the late Christiansa Richey, J. J. Rist and S. M. Richey are appointed executors.

DIED OF INJURIES.

John Brewer, Who Fell From Train at Rockwood Unable to Survive the Accident.

John J. Brewer, who fell from a Baltimore & Ohio train at Confluence Tuesday evening, while riding blind baggage, died of his injuries at the hospital last night. Brewer was about 40 years old and was of a roving disposition, having been touring the country mostly on freight trains. After the accident he was brought to the hospital here but could give no account of how it happened.

The only relative that has been located is his mother, Mrs. Brewer, who is an inmate of the Grand Army Home at McKeesport. She was notified this morning of the death of her son and the remains were shipped this morning by Funeral Director Sims to the former home of the family at Taronum.

Mine Officials Prosecuted For Violation of the Law.

T. D. Thomas, mine superintendent at Bannock No. 2, T. K. Smith, mine foreman, A. Holsenbeck and Samuel Riddings and James Ponceast, Bannock bosses at Bannock No. 2, were given hearings last evening before Squire H. M. Smith of New Haven on charges of violating the State mining law, made by D. R. Blower of Irwin, State Mine Inspector. The men are charged with neglecting to notify the State Mine Inspectors of violations of the law in instances of miners passing danger signals. The men gave

A PROTEST BY COAL COMPANY AGAINST INSPECTORS' REPORT.

Recommendations Laid Down to Be Followed at Bannock No. 1 Mine Would Cost Enormous Sum of Money.

WILL ADDRESS WORKINGMEN.

Thomas F. Kennedy to Speak in Rutland Hall on Sunday. UNIONTOWN, Jan. 30.—The Bannock Coal Company, through its attorney, George D. Howell, has appealed to the court from the report of the special commission of State Mine Inspectors on Bannock No. 1 mine, adjoining the Illi-fatal Dairy mine on the Young river, and the recommendations and provisions made by the inspectors under which it will be allowed to operate. The coal company asks the appointment of three disinterested persons by the court to investigate the conditions in Bannock No. 1 and report to the court regarding them. In the report made by the inspectors they give warning to the company that unless the recommendations are complied with an injunction against the company will be asked of the court. The report of the inspectors declared that the mine was dangerous, asks that the company be compelled to permit only the use of safety lights in its operation. They are further required to furnish 200,000 cubic feet of air per minute, establish a new water system and sprinkle the sides, roof and floor of the mine to within 100 feet of any point where a shot is fired, and to make a large number of minor improvements. The report on the mine and recommendations is signed by W. J. Nelson, 13th district; C. B. Ross, 2nd district; L. G. Roby, 5th district; Elias Phillips, 4th district; Alex. McCann, 7th district, and Joseph B. Bell, 15th district.

FEAR A LEMON.

State Attorney Says That Former Governor Pennypacker Will Not Be Asked to Testify.

United Press Telegram. HARRISBURG, Jan. 30.—Although former Governor Pennypacker placed himself at the disposal of the Commonwealth attorneys, there is little likelihood that he will be called. One State attorney said today: "We will not call Pennypacker, and to use a common expression, he might 'hand the Commonwealth a lemon.' He tried in every way to defend the men implicated in this scandal and would not admit any intentional wrong had been done."

Early testimony developed was in explaining how the official measurement was made of the furniture furnished by Sanderson and approved by the others, Frederick, Potter and Howard Crockett, of the New York Audit Company, were witnesses to figure.

A special feature of this part of the testimony was placing in evidence photographs of two restaurants furnished by Sanderson, the State paying Sanderson \$10,000 for the same and for which it is claimed the subcontractor, who supplied Sanderson, received \$2,000.

Sanford B. Lewis was recalled to the stand and testified that the sofa Sanderson furnished should have been six feet and four inches in length, but the measurement showed them to be only six feet. On cross examination the witness tried to evade the questions of Attorney Rutkowski. The prosecutor asked the witness to give the depth of the seat, or surface measurement. He said he could not do this. The attorneys then clashed and the cross-fire became bitter. Rather than forced Lewis to make the sofa measurements which he first said could not be done. Lewis acquiesced and doled out a unwilling evidence to give any testimony that would injure his friend Huston.

JEROME'S REPLY.

Gives Littleton a Dig About His Remarks at the Opening of His Speech to Thaw Jury.

United Press Telegram. NEW YORK, Jan. 30.—In opening his argument in the Thaw case District Attorney Jerome took occasion this morning to reply to Attorney Littleton's charge that he had been lacking in courtesy in examining the defense witnesses. "You are not passing upon the Thaw case," Attorney Jerome said, "nor attitude toward women," he said, "that's not evidence. Thaw is being tried for the killing of Stanford White. He declares that he was insane, and that's for you to determine. I shall not attack the learned defense counsel. I see no reason to answer the personal attacks for I contend that the bureau has been thrown upon the defense by showing that Thaw's insanity was not been maintained."

Here Jerome went into the law covering the defense. The Young River Frozen. The Young river is frozen in many of the quiet water pools.

WANT A SPECIAL COMMISSION

Appointed by Court to Make Examination of Condition in the Bannock No. 1 Mine Would Cost Enormous Sum of Money.

UNIONTOWN, Jan. 30.—The Bannock Coal Company, through its attorney, George D. Howell, has appealed to the court from the report of the special commission of State Mine Inspectors on Bannock No. 1 mine, adjoining the Illi-fatal Dairy mine on the Young river, and the recommendations and provisions made by the inspectors under which it will be allowed to operate. The coal company asks the appointment of three disinterested persons by the court to investigate the conditions in Bannock No. 1 and report to the court regarding them. In the report made by the inspectors they give warning to the company that unless the recommendations are complied with an injunction against the company will be asked of the court. The report of the inspectors declared that the mine was dangerous, asks that the company be compelled to permit only the use of safety lights in its operation. They are further required to furnish 200,000 cubic feet of air per minute, establish a new water system and sprinkle the sides, roof and floor of the mine to within 100 feet of any point where a shot is fired, and to make a large number of minor improvements. The report on the mine and recommendations is signed by W. J. Nelson, 13th district; C. B. Ross, 2nd district; L. G. Roby, 5th district; Elias Phillips, 4th district; Alex. McCann, 7th district, and Joseph B. Bell, 15th district.

The company contends that the mine is safe and that the recommendations made by the inspectors, if the company is compelled to carry them out, will be very costly and work a great burden upon them. The company states that it will do everything in its power to assist the appointees of the court, and that it will comply with the recommendations insofar as it is able, as it desires to have everything right.

WANT DAMAGES. For a Little West Penn Wreck in New Haven. Three Persons Aggregating \$50,000. UNIONTOWN, Jan. 30.—As a result of the street car accident in New Haven on December 13, when a car jumped the track and ran into Rhoads' store, there are now on file three suits for damages aggregating \$50,000. S. R. Goldsmith this morning filed two suits against the West Penna. Railway Company. Mrs. Catherine Moley, wife for \$20,000 damages. She says that she was walking along the street when she was struck by the car and that she was so badly injured that she will be unable to work very much during the balance of her life. Adeline Province sued the company for \$10,000. She alleges that she was hurt badly in the wreck, also. Miss Rose Dunton, a few days ago, filed a suit for \$10,000 for the same accident for \$30,000.

CAUGHT IN CELLAR.

Jack Gallagher Roaming About in Basement of Victoria Hotel—Now Roaming in County Jail.

Jack Gallagher of New Haven was arrested last evening by Policeman Joseph O'Donovan as a suspicious character. About 10 o'clock last night Policeman O'Donovan discovered Jack in the cellar of the Victoria hotel. He had turned on the water under the boiler and a short time the cellar would have been flooded. Gallagher was given a hearing this morning before Burgess C. A. Markle and fined \$5 or 30 days to jail. On default of paying his fine he was taken to Uniontown this morning and committed to jail.

For Carrying Concealed Weapons. Mike Royl, the man who was arrested in New Haven after the fight Tuesday night, will be prosecuted for carrying concealed weapons. The officers have made no further arrests in connection with the fight.

Two Police Prisoners. Two prisoners were given a hearing this morning by Burgess C. A. Markle, charged with drunkenness. They were each fined \$2.50.

WOMAN'S WILD RIDE ON RUNAWAY CARS.

Mrs. Mae Neff of Somerset
Escapes Death in Thrill-
ing Accident

ON WESTMORELAND & SOMERSET

Cars Broke Away Going Up Grade and Ran Back Down Steep Grade More Than a Mile, Finally Landing in Creek—Mrs. Neff Only Occupant of Passenger Coach.

Special to The Courier.
SOMERSET, Pa., Jan. 30.—Mrs. Mae Neff of Somerset was the sole occupant of a passenger coach, which, breaking from an engine on a steep mountain grade of the Pittsburgh, Westmoreland & Somerset railroad, near here yesterday, shot down the hill and landed in the creek.

When the train, composed of an engine, a freight car and a passenger coach, reached the top of the grade, the cars became uncoupled from the engine and dashed backward. Two men and Mrs. Neff were the only passengers. Before the cars had gained great momentum the men ran to the platform and dropped off, leaving Mrs. Neff to her fate.

The woman did not lose her nerve as the cars, rocking violently, sped down the grade. When nearly a mile from the starting point, the woman, watching the track ahead, noticed an open derailing switch at a curve. A moment later the cars were flying through the air. Mrs. Neff had pressed herself for the crash by crouching on the floor and grasping the seat supports.

The freight car behind, which she feared might telescope the coach, was deflected and it crashed to one side. Though bleeding from cuts and chilled by the icy water in which the car lodged, Mrs. Neff emerged, dripping from the debris and started up the track.

When she met the two men coming to search for her body she laughed.

PRESS AGENT YARNS.

Good Things That Are Claimed for Coming Shows in Conneltsville. If you wish to drive dull care away and forget the blues don't fail to see the laughable three-act farce comedy, "My Wife's Family," from the pen of Stephens and Linton, who are known as prolific writers of excellent farce. This merry comedy met with universal success, wherever presented last season, in fact, it was such a hit that return dates were played in many places. Bright lines, absurd laughable situations and a budget of original song and dance numbers by the authors add spice and color to the record breaker of the comedy world. "My Wife's Family" will be at the Solson Theatre tonight.

The Governor's Pardon. A highly sensational play, full of exciting scenes, will be "The Governor's Pardon," at the Solson Theatre on Thursday, matinee and night, February 5. A cascade of real water is one of the scenic features of the play.

The Scout's Revenge. The scenic equipment employed in the production of "The Scout's Revenge," which will be seen at the Solson Theatre matinee and night, Saturday, February 8, is only one of the many costly features of this great production. Magnificent scenery, beautiful electrical effects, the whole surrounded with a cast of great excellence, make it a production worthy of the respect and patronage of the best class of local goers.

NAOMI WIDOW MARRIES.

Wife of Foreign Miner Who Lost Life Get New Husband.

WASHINGTON, Pa., Jan. 30.—As an echo of the Naomi mine explosion which occurred on Monday evening December 2, 1907, Mrs. Terry Skazala, whose husband lost his life in the disaster, and Sean Shuz, both now of Friedale, this county, came here on Tuesday morning and took out a marriage license, and Mrs. Skazala will at once discard her widow's weeds and become the wife of the ardent young Australian.

Mrs. Skazala is a Hungarian, 21 years old, and her second husband to be is 24. This is his first attempt on the matrimonial sea, but she will be able to steer him through all right.

For National Forest Reserves, WASHINGTON, D. C., Jan. 30.—(Special.)—Delegations representing New England and the South Atlantic States appeared today before the Agricultural Committee of the House, and strongly urged that some definite action be taken at the present session in relation to national forest reserves. The passage was particularly urged of the measure now before Congress, providing \$5,000,000 for a 5,000,000 national forest in the Southern Appalachians, and a 500,000 acre national forest in the White mountains in New England.

The change of control with the Steel Corporation on the part of the Frick company the Steel Corporation and the Carnegie Steel Company is disposed of by the statement that the Frick company was not a shareholder of Bowles-Connelleyville in 1898 many years before the other corporations were in existence. As a part consideration of the original purchase Mr. Whitney it is stated gave to the Frick company in option of an additional 30 shares of stock at the same time. It might be said that the remaining stock in the certificate was delivered in February 1892 in escrow with what was then the Union Transfer & Trust company.

The next day the proposal was modified by an offer of one-fifth in cash and the remainder in notes for one, two, three and four years with interest at 5 per cent. This was declined but the Fick company offered to pay \$1.00 a share which was accepted. When the agreement was being prepared it developed that Mr. Whitney could not deliver all the stock 15,900 shares, and he was given until November 27

SENIORS CHOSEN

Selections were made yesterday by the Seniors of the Intontown High school for the literary subjects in the literary contest between the Intontown and Connellsville High schools. Two selections were made for each by the class and the teachers will make the final choice of the candidates. Some of the stories which are being read are:

The subject of the debate is, firstly, that all corporations engaged in interstate commerce shall be required to take out a Federal charter in such terms as Congress may prescribe.

China Quietly Gathering Millions of
War at Strategic Points for
Quick Use.

United Press 4-2-46, Beijing
PEKING, Jan. 2.—China is pushing war preparations to points where they will be ready and available in the event an invasion is made of her territory. Troops are being quickly concentrated at strategic points. And the island region has long been claimed by the Chinese. As soon as Japan resumed the invasion of Korea in 1936 she pushed troops into the island and openly claimed it.

The Chinese are smiling at the outcome of Japanese negotiations between the United States and United Kingdom concerning the immigration question.

The Mikado while dealing with much political business, pretends to do nothing and will follow the same policy is maintained in the past.

At Meeting of Good Will Sewing Circle of the First Baptist Church Yesterday

A large number of ladies were present yesterday at the annual meeting of the Good Will S. w. n. c. l. e. r. o. of the First Baptist church held in the cultural auditorium. A feature of the meeting was a breakfast served at 12 o'clock in the dining room of the church. Mrs. Ernest Cooper of Chicago was president and gave a very interesting talk on the Chicago I. v. n. School.

The following officers were elected for the ensuing year: President Mrs. J. W. Vire; Vice President Mrs. M. L. Campbell; Second Vice President Miss Eliza Dunham; Treasurer Mrs. F. C. Rose; Recording Secretary Mrs. Albert Sleick.

of Mr and Mrs C. G. Hyatt,
Patterson Avenue

The L. A. I. Club was charmingly entertained last evening by Mrs. and Mrs. C. M. Hyatt at their home on Hawthorne avenue. Four ladies were invited to play and the prizes were awarded to Mrs. W. L. Wright and Dr. R. S. McKee. At the close of the games, a fairly good party was served.

The guests present outside of the regular members of the club were Mr. and Mrs. C. M. Hyatt and Miss Wynne the latter of Washington Park. The next meeting will be held Tuesday evening, February 11 at the home of Mr. and Mrs. W. L. Wright on North Philadelphia Street.

Women's Long Kid Gloves

\$2.³⁸ & \$2.⁶⁹

HERE is our exceptional Glove offering as it presents the most wanted gloves at wonderfully striking reductions in prices. The showing embodies 12 and 16 button length gloves in black or tan cape leathers---mannish effect out seams. Every size is shown, making the sale even more attractive.

The majority of Spring Suits show short sleeves, so even though your immediate needs do not demand long gloves, it must be apparent that they'll be a very necessary adjunct to your Spring outfit. We're selling them at these little prices because of our heavy glove purchase for Spring, which will soon be demanding shelf room. You'll vote them rarely good bargain values.

Answer Filed in Suit Involving Sale
of Coke Plant for
\$2.4M

The answer is a plain recital of the millions of dollars in losses in the cotton and lint trade that has reduced the profitability of the countries' farmers which have been in London from about the country during the past few months. It is a certainty that Mexico not only does not control the price policy of the cotton but also controls it but it is not even member of the trust company executive committee.

It is in many respects a magnificent illustration of the man's astounded change of attitude concerning the fact of communist infiltration in the recent past. And the only way in which the \$1,000,000 man was able to do this was to find together with the media to use the Electric Blue Company to prevent any individual interested from thinking or saying or in short to keep company.

The bill is one of the most interesting documents in all the Western Hemisphere. It is a very long document, and it is so detailed that it is difficult to read, which has been a matter of complaint in many different forms for months. 1. to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians at the time; careful to the utmost quality, and perfect purity of remedies, prescribed by them; and it is well known to physicians, and the World informed generally, that the California Fig Syrup Co. is a son of its correct method and perfect equipment, and the ethical character of its product has attained to the highest standing in scientific and commercial circles, which is conceded to be successful and reliable, and, in conclusion, that the name of the California Fig Syrup Co. is a guarantee of the highest quality of its products.

appeal to the Well-Informed in every walk of life and is essential to permanent success and creditable standing, therefore we wish to call the attention of all who could enjoy good health, with reasonable pains, to the fact that it is the only question of right living with all the implied benefits of a long and vigorous life, what is lost each hour of abstention from enjoyment, of contemplation and of life may be made to count but to that end and to the use of medicine dispensed with generally to great advantage but is in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. is that it is like important to present truthfully the object and to supply the one part of living remedy which has won the approval of physicians and the world wide acceptance of the Well-Informed because of the excellence of its combination, known to all and the original method of manufacture, which is known to the California Fig Syrup Co. only.

It is a valuable remedy, has been long and favorably known under the name of Syrup of Figs, and has a tuned to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles obtained from Sonora, are well known to physicians and the Well Informed of the world, it will be the best of natural laxatives, we have adopted the more laborious name of Syrup of Figs and Elixir of Sonora, more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs, and to get its beneficial effect, always note, when purchasing the full name of the Company - California Fig Syrup Co. - plainly printed on the front of every package, whether you simply call for - Syrup of Figs - or by the full name - Syrup of Figs and Elixir of Sonora - as Syrup of Figs and Elixir of Sonora is the one laxative remedy manufactured by the California Fig Syrup Co. and the one heretofore known by the name - Syrup of Figs - which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture at Washington D. C. that the same is not adulterated or misbranded within the meaning of the Food and Drug Act, June 30th, 1906.
